| 10. BRIEF SUMMARY OF SIGHTING<br>Two round objs, both together size of football held at arms length, appeared to be banded together with red band. Objs appeared in S at alt of 60° and disappeared by fading at alt of 60° in N. Seen through binoculars of unk power. Objs seemed to be transparent. |                                                                                                                                                                                                       | 11. COMMENTS<br>Description of objs and fact that they appeared leads to evaluation of possible balloon. |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
