Sir:

Lately, on television I seen
a picture about U.F.O. I don't
know if this is important or
not. But, in 1954, June, three miles
west of Lumberport, W. Va. I saw
a bright-silvery object proceeding
west, at the altitude of 5,000 ft., at
the speed of a one-engine airplane its
shape (shown below).

Sincerely yours,
[REDACTED]

P.S. I am 12 years old and have 3/4 vision.

SUBJECT: UFO Sighting [REDACTED]

TO: SAFOI-3d (Maj Tacker)

1. The attached letter from Master [REDACTED] is a brief description of a sighting which he experienced in June 1956.
2. This is a very old case, and will probably not be of much benefit to the Air Force. In addition, the facts of the case are probably very fuzzy in the witnesses memory.
3. It is suggested that a questionnaire, ATIC Form #164, be sent to Master [REDACTED]. Sending this form may prevent much future correspondence with the witness concerning the sighting.
4. Master [REDACTED] address is as follows:
