| 10. BRIEF SUMMARY OF SIGHTING<br>One round white object, the size of a pea at arm's length. Obj initially appeared at 90 dgr azimuth. A humming sound was noted. Obj was viewed visually for 45 sec to one min & disappeared behind overhead clouds in a southerly direction. |  |                                                                                                                                                                                                       |  | 11. COMMENTS<br>Duration & manner of disappearance indicate the possibility of an aircraft. Evaluated as possible                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |  |
