11. Assistant Group Operations Staff Officer. Mr. [REDACTED] reported his sighting to Master Sergeant Albert N. Wyatt, the NCO Officer of the Day. The CAA Control Tower and the 772nd AC&W Squadron received no reports which could verify the sighting. No local jet flying was in progress at this time. Mr. [REDACTED] witnessed the sightings in the company of approximately twenty-five (25) other witnesses. There is little doubt that what was reported was seen, but apparent cause of phenomena could not be definitely determined. Due to the time delay, it was not feasible to scramble aircraft or take other verifying action.

12. Negative.
