| 10. BRIEF SUMMARY OF SIGHTING<br>One brightly shining object the approximate size of a normal two engine prop-type aircraft. Object disappeared when source made a right turn on the road. Object was seen visually for five minutes. Object appeared to be hovering in the sky. |  |                                                                                                                                                                                                       |  | 11. COMMENTS<br>Description and "hovering" effect indicates that this sighting was probably caused by a balloon. However data not conclusive and case is listed as insufficient data.<br><br>Norpt on file.                                                                                                                                                                                                                                                                                                                                                                                       |  |
