WOMAN SAID SHE THOUGH IT WAS THE LIGHTS, I E BAD SOCKET
NOWHERE, NO BULBS WERE BURNED OUT & LIGHTS STAYED ON .

WOMAN SAID SHE HAD NOT BEEN DRINKING, NOR A "QUACK" AND
THAT A NEIGHBOR WAS WITH HER AT THE TIME. NO WINDOWS WERE
BROKEN, THEREFORE, MUST HAVE BEEN A FLASH OF LIGHT.

COMMENT: IT BEING A HEAVELY DUSK DAY, OSBUICATION COULD
POSSIBLY HAVE BEEN FROM PHOTO FLASH LAMP IN NEIGHBERING
HOUSE OR OUTDOORS

Concur:

~~*Light will*~~

*a flash lamp will ~~and~~ look
very bright on a heavily dusky
day as reported.*

*It is amazing how a person
can get scared over a flash of
light. It cannot be imagined
why the woman reported it
to the air force.*
