At this time changed color from bluish green to white. Moving from NE to SE.				11. COMMENTS Object was seen almost due east. Moved very slowly. Significant to point out that the full moon was at almost the exact position reported by observer. <i>fulcrum</i>

10. BRIEF SUMMARY OF SIGHTING D. Small round object, appeared at one time to take a 90 degree turn; at which time it changed colors from bluish-green to white. (In #1 Nov 57 folder as #2)				11. COMMENTS Durham is directly under the intersection of several airlines routes. The observer probably saw an A/C in one of these patterns. SUCORA
