Dear Colonel Bugh:

This is to advise that on December 3, 1957, a Mr. [REDACTED] t, Lake George, New York, telephonically advised this office that while returning from work 2:20 a.m. on December 3, 1957, he observed a large brilliant bluish green object with an orange tail in the sky approximately eight miles north of Saratoga, New York. Mr. [REDACTED] said that this object was falling in a north westerly direction from Route 9. He said that this object was in his vision for a second or two only. Mr. [REDACTED] said that he is a stereotype operator for the "Times Union," an Albany, New York, daily newspaper, and is employed on the late shift. Mr. [REDACTED] volunteered the information that he was not going to advise his paper as he felt that they might laugh at this observation.

This information was furnished telephonically by this office to Mr. Raymond A. Marin, Special Agent, Office of Special Investigations, Naval Depot, Scotia, New York. This is being furnished for any further action you deem necessary.

Very truly yours,

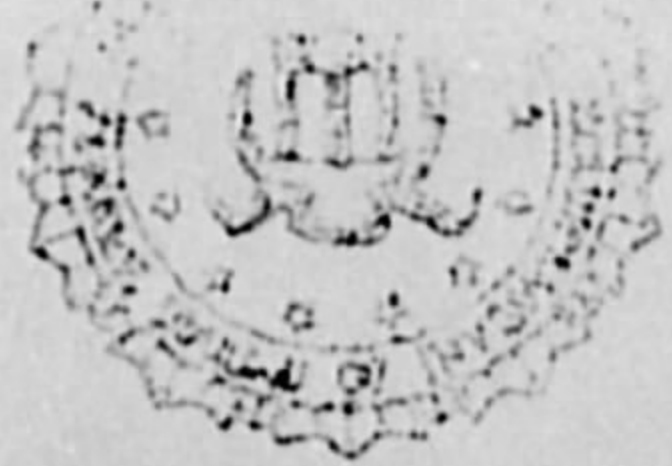

A. CORNELIUS, JR.
Special Agent in Charge
