Everything above suggests
a true football (baldie).
In fact, the data given is
characteristic of those bodies
as may be confirmed by
many similar reports (Purd
and data from Report #102
Dr. Oliver's Report #102
will confirm.

Other points: no
reports from
close (around to the baldie), and data from
his almost
1/2 million paper) will confirm.

Prob 15749 / BORE Baldie
