| 10. BRIEF SUMMARY OF SIGHTING<br>Post card fm chronic rpter of UFO's stating that a nice quick streak of blue & white crossed the above location about 11 PM on 19 Jun. This lasted less than 30 secs. |  |                                                                                                                                                                                            |  | 11. COMMENTS<br>Probably a meteor. Limited info.                                                                                                                                                                                                                                                                                                                                                                                                                  |  |

THIS SIDE OF CARD IS FOR ADDRESS

4E46

Wright Patterson A.F.B.  
project bluebook  
Dayton 9 OHIO

did you get a reading on a strwak across Ecrose  
Michigan at 11PM June 19 1959?

saw a nice quick streak of BLUE AND WHITE  
cigar like fast also less than 30sec. app 10.000  
ft.
