REMARKS -

This Report was prepared from a telephone conversation with the reporter. He sounded convinced and concerned - Not flighty nor confused. The other people who saw the phenomenon are named Mantia and their phone NR is listed. Dublin investigation (page 9) leads to no conclusion for the sighting of 3 star sized bright objects following an airplane apparently landing one of which departs from its apparent flight path in an erratic manner. The departed object was seen to stop as the light beacon swings past the observer.
