10. BRIEF SUMMARY OF SIGHTING Dark gray object, moved from East to West. About the size of a jet with no wings. Disappeared behind a house.			11. COMMENTS Witness stated that he heard a sound like a jet plane. The description of the object is very similar to that of an a/c when it is observed at night. The object was probably a jet a/c flying in the area, and it just so happened that the witness saw it fly over. However, due to the lack of corroborating witnesses, this report is categorized as doubtful data.
