The date on the sheet says Oct. 11. I will explain. When I first saw the saucer I quickly scribbled down some of the facts which are in the sheet, when I got home, I made it out as soon as possible, but I didn't know who to send it too. But finally, I found the address of Atic. I hope my report has enough information, if not, write to me and tell me what you want to know, if possible, I'll answer it.

Thanking you for your courteous attention,
I am,
