July 10, 1962

Dear Sirs:

Subject: Unidentified Flying Object

In the following paragraphs you will find information about a sighting on July 9, 1962. It was inbetween 10:45 and 10:56 P.M.

- (1) Its shape was flat with a dome in the middle.
- (2) Size a little bigger than a commercial airplane.
- (3) Speed was well it looked like the same as a commercial plane.
- (4) Color was bright yellow with lights coming from widows around the bottom.
- (5) There was only one.
- (6) Formation, None
- (7) Features or details, yes, there were square shape widows around the bottom, some said there were green lights in front when they first saw it, and I was talking to some boys who saw it a block ahead of us said it was flat then the dome shot up from the middle, the dome was there when we saw it.
- (8) Sound, None
- (9) Other pertinent or unusual features, yes, its was gliding at the same speed.
- (10) Tail, trail, or exhaust None
- (11) Light conditions, Night
- (12) Amount of cloud cover None
- (13) Traveling from West to East.
- (14) Visible for the same time as it takes a plane to come into sight and disappear.

This is the story of how we saw it.
My friend and I were turning the corner when one of the
guys said hey up there over the school, we looked over
the school and saw it we were watching it till it
disappeared over the house. Then we ran down two
blocks but did not see it. There were 3 to 14 that
saw it. And our ages are from 14 to 19.

Inclosed is a rough drawing of what we saw that night.

List of observers are:

	Age

There were people across the said that saw it to.

[REDACTED] and [REDACTED] came up from 23rd Street in
a car Joe came running out and said did you guys see
that we said yes and I said where did you see it he
said on 14th avenue coming from 25fifth street, it
came over head of thier car.

I hope you can use this information.

Thank you
