Mr. J. Edgar Hoover

Washington 25, D.C.

Dear Sir:

On September 21st, I saw two U.F.O.s at
6:24 P.M. in the night sky. I heard one
two sounds which I described as
in the air.

I am sure that what I saw was
not a meteor or a comet.

I would like to know if you could
and please put me in touch with you.

Thank you
