UFO Sighting [REDACTED] 14 June 1963

Hq USAF SAF-OI 3b (Major Hart)
Wash 25 DC

1. Reference the attached letters regarding UFO sightings. These letters are forwarded to your office for whatever action you deem necessary.
2. Mr. [REDACTED] sighting of 28 May is similar to many reported observations of aircraft contrails with the sun reflecting on them at dusk.
3. There are several White Sands sightings and no information can be forwarded unless a specific date is given. The movie "UFO" was a Green-Rouse production based on the Tremonton photos, which were evaluated as seagulls, and the Mariana pictures, which were evaluated as two F-94 aircraft.
4. The sighting of Miss [REDACTED] has been evaluated as Echo. This satellite was over Wyoming at 7:38 PM on the night of 13 April and was heading southeast.
5. Mrs. [REDACTED] sighting of 15 May is now under study.

Case No. 21 - also seems to be an unreliable observer, and we feel the report should be rejected from serious consideration.

~~Mr. [redacted]~~

Department of The Air Force
Washington 25 D.C.

Gentlemen:

I would like to report
to you something very unusual to
you it seems. On Tuesday May 28
at 5:05 P.M. I saw a pinkish
reddish exhaust cloud in the sky
did not look like jet exhaust cloud.

Description

① Pinkish reddish, bluish cloud

② It was in a irregular pattern

Here's how it looked something like it

Pinkish Bluish
Reddish.

③ It couldn't have been a cloud!
The thing was very mysterious.

Would like to have information
on the 1462 and Part 1963 U.F.O.

2. sightings
and would like to know if any
more planes in got lost in
the southeastern part of the U.S.

3. "The Point of No Return"
What is the Air Force theory
about that?

Would like to know if your gentlemen have
any spare photos of "The White Sand
Incident" old snapshots.

4.

→

to send pay if have too.
if I could get a hold of white
bands pictures.

I in the summer of 1959 saw
movie called (U.F.O.) on a Sunday
on N.V. channel 10 Columbia
Broadcasting Co.

I would like the air force to give
C.B.S. channel 10 back the right
to show that movie again.
Please would consider it a
favor.

I want to join the air force when
I get older and become a
part of "Project Bluebook".
an investigator for it.

I like the Air force and all that but
would like to know why you or
somebody else tried to silence
certain investigators who found
out the truth, I do not know
the truth.

Why do you hide the truth from
the public world ever it is
or is it that people from another
planet or galaxy is controlling
our government yes or no?
You probably now consider me
a crackpot person?
But I'm not, all I want is the
truth about U.F.O.s

→

I am so curious about the
U. F. O. problem.

I heard the U. F. O. could start
a war I don't know whether
its true or not.

I know there are some U. F. O.
Investigators or claim they
talked with people from
outer world not like to
mention names? but I think I have to?
I do not believe, that anyway
Investigators like "Adamski" "Rendler"
etc.

Would like to know the sensible
truth or theory of the Air Force.

The U. F. O. problem always worries
me.

I must find out about what they are.

Signed: 

Mr. 

[REDACTED]

Dear Mr. [REDACTED]

Your sighting of 28 May is similar to many reported observations of aircraft contrails with the sun reflecting on them at dusk.

Statistics for years 1957-1962 are inclosed.

The fact that any aircraft disappears has no bearing on unidentified aerial phenomena.

Photographs of sightings are not available.

The movie "UFO" was a Green-Rouse production. The Air Force had no connection with its production or release.

Sincerely,

WILLIAM J. LOOKADOO
