COMMENTS Possible a/c as the duration and description is consistent with this analysis. Flight parallels V-193 airway.	

See:

It looks like a star and as bright as one. Travels from South to North over Ludington Michigan

8 9 I have seen objects before and called the U.S. Coast Guard station and they told me they didn't know what they were as radar at Muskegon would not touch the object.

Thank You.

ATTN OF: TDEW

SUBJECT: Request for UFO Information ([REDACTED])

TO: Hq USAF SAF-OI 3b (Mrs. Wells)
Wash 25 DC

1. Reference the attached letter from Mr. [REDACTED] requesting information on unidentified flying objects. This letter is forwarded to your office for whatever action you deem necessary.
2. Direction and short duration of this sighting are not consistent with satellite observation. The object was possibly an aircraft as the V-193 airway from White Cloud to Sault Ste. Marie parallels the flight course of the object.
3. Additional information will be necessary if an evaluation is desired.

Dear Mr. ~~XXXXXXXXXX~~

Your letter regarding the observance of an unidentified aerial object has been forwarded to this office.

Based on information provided in your letter preliminary investigation revealed that the object was possibly an aircraft. The V-193 airway from White Cloud to Sault Ste. Marie parallels the flight course of the object. I would like to add, direction and short duration of this sighting are not consistent with satellite observations.

Your interest is appreciated.

Sincerely,

MASTON M. JACKS
