[redacted] and I were riding
 on our bicycles around
 the municipal center when
 we happened to look at
 some airplanes. We noticed
 a very bright, silver
 object in the sky.
 Thinking that it could
 be a "flying saucer"
 we wrote to Project
 Bluebook. A few weeks
 later we received three
 forms and filled them out.

Note: 2 forms are enclosed
 in this envelope, they both
 refer to the same sighting.

~~Myself~~ and I were riding around the municipal center on our bicycles. We happened to look at some plans that we were in a car. As I was glancing at another plan, one of us had our attention called to a bright bright object, brighter than a light bulb a few inches away. We looked at it until it sank below the horizon. We thought it might have been a "flying saucer," so we rode back to my house and wrote to Project Bluebook. We wrote to Bluebook because I had read about it. Then, these forms came and we each filled out.
