To whom it may concern,
Today, at the warehouse [unclear] and
my buddies Mr. [unclear], Mr. [unclear]
Mr. [unclear] and Mr. [unclear]
saw an unidentified flying
object. It went away up in
the sky and suddenly dove down
and disappeared far beyond
us.

Then we saw this dark black
thing that looked similar to an
airplane. Suddenly it went
straight ahead and the ends
of the tail went straight up.

Finally we saw this object
flying with a short tail of
smoke following behind. Sudd-
suddenly the smoke disappeared
and then a second after that
occurrence the object disappeared.

To who it may be concerned,
Ever since September 9, 1964
at our warehouse we see unidentified
flying objects with little people
inside. I assume that they are
just observing our planet because
they just take grass, and sand
with them. I assume might you
either keep track of them. Please
