Gentlemen:

I have sighted two separate U.F.O's. One of them
in March, 1963 and another in February, 1965.

I remember practically all the details. Could you please
send me the forms that you use to report a U.F.O.
Please hurry before I can forget. My last letter was
answered about 2 months later - that was my fault.
~~Please tell~~

Thank you,

P.S. My hobbies are Astronomy, Meteorology,
and rocketry - and I know they weren't
stars, planets, or meteors - clouds off, invasions,
or reflections, or satellites.

I have another hobby - U.F.O.s
