DST. Dear Gentlemen, On the night of July 13, 1965
at 20:11 PM to 5 of 11 PM a mysterious craft
was going across the night sky. My friend and I
were camping out and were looking at the night
sky when suddenly we saw a object in the sky we
watched it carefully until clouds move in and
the object disappear out of sight.

The book titled Time Charles Stinger would
look. In it a story titled midgets from Mars
and I read it threw away the end of the story
it said that in Washington D.C. you can get
on #130-CRA which hits all 68 reports of the
UFO's that were sighted over Washington D.C.
on the night of August 13, 1952. Please if possible
send him these reports because I like this
