AFR 200-2 Report

DO (LtCol Smith)

Reference AFR 200-2, para 14. The following report, taken by the undersigned, is transmitted for your disposition IAW this regulation:

- a. (1) Round on top, flat on bottom. (like an inverted tea cup without a handle).
 - (2) Seven to eight feet wide.
 - (3) Bright white.
 - (4) One.
 - (5) n/a
 - (6) Looked like styrofoam, a brilliant white luminous object.
 - (7) none.
 - (8) No sound.
 - (9) Light flooded entire back yard. Believed to have landed in back yard clearing, left a hole 2 inches in diameter, 1 1/2 inches deep (compressed hole, not dug out). "Funny" marks like imprint four feet around hole.
- b. (1) Fell asleep in living room chair, suddenly woke up and saw flood lamp.
 - (2) Hovering in back yard.
 - (3) Took off straight up at enormous speed.
 - (4) Straight up.
 - (5) Almost instantaneously straight up.
 - (6) 10 seconds
- c. (1) Ground visual
 - (2) none.
 - (3) n/a
- d. (1) 0300 hours local, 16 Oct 65.
 - (2) Night.
- e. 119 South Remington Rd, Bexley, O.
- f. [REDACTED], age 43, tele no. [REDACTED]
Bexley, O. Housewife - reliable and sincere. [REDACTED]
- g. Atch 1.

h. none.

i. none.

j. Unknown.

k. Preparing officer - 2/Lt Christopher J. Hoppin, PR83607A, Base Information Officer. Preliminary analysis of this sighting on the part of the undersigned indicates; late hour, television still on with white noise on screen, possible strong flood light in back yard. Combination of circumstances makes this sighting unlikely. However, marks in back yard plus Mrs. Pike's statement of great intensity of light cause need for submission of this report.

l. none.

AFR 200-2 Report

DO (LtCol Smith)

Reference AFR 200-2, para 14. The following report, taken by the undersigned, is transmitted for your disposition in accordance with this regulation:

- a. (1) Round on top and flat on bottom.
(2) Large eraser on end of pencil.
(3) White - through binoculars it's bright gold.
(4) One main object with red pin point part.
(5) Red point above it and fall to the earth.
(6) One night saw it above and to the right of main object.

Another night saw the red pin object drop to the earth, blinking off and on. Falling was not illusion of horizon, but actual descent.

- (7) Once they saw brief luminous spray below object.
(8) No sound.
(9) Looked like a flying saucer.

- b. (1) Just looking out the bathroom window.
(2) Angle 10 o'clock from window on clock sighting.
(3) Angle 11 o'clock from window on clock disappeared.
(4) From left to right then swung away from you.
(5) Instantaneously to the West - lost in the horizon of trees.
(a) 1st night - couldn't chase it (in house)
(b) 2nd night - in car - still went west.
(6) One hour and fifteen minutes when out in open.

- c. (1) Ground visual.
(2) Used binoculars.
(3) n/a

- d. (1) 14 and 15 Oct, 1900 hrs. 17 Oct - 1850 to 2005 hrs, chased
18. 18 and 19 Oct - different phase, 1915hrs. Last time witnessed was
19 Oct at 1915 hrs.

- (2) All night except 19 Oct 65 in dusk.

- e. 119 South Remington Rd, Dexley, O. Bathroom faces west.

f. [REDACTED]

Excl [REDACTED]

- g. Atch 1.

h. No other unusual activity.

i. No interception or identification - nothing on radar.

j. Unknown.

k. Preparing officer - 2/Lt Christopher J. Hoppin, PR83607A, Base Information Officer. At first the cause of the sighting was believed to be the meteor or comet Ikeya-Seki. However, Mrs. [REDACTED] time and path conflicted with the time and flight path of that object. Her home is in the vicinity (within 7 miles) of Fort Columbus Airport, and is therefore witness to a great deal of aircraft traffic. However, she still sincerely maintains this appeared to be some sort of a "Flying Saucer." She has seen Venus and recognized as such; she is positive object is not the same.
