Dear Sirs:

Just told a man (March 16th or 17th)

my son, 1 year, came running in

and described something about that

and "Lynn... which is negative

and I also saw it. They hadn't compared

as my son came running in as soon

as he saw it. This was before the

can listen arguing as it hadn't been

a topic of conversation. It was

done out and he came in before the

new stuff at 7:00 p.m. & before

the story and I can usually distinguish

between the fiction and fact.

Hope this may be helpful.

Sincerely

Harriet d. Moore
