Realtor Spots Saucer-Like Flying Object

Carl F. Bea of 21 Marlyn street, Bridgeton realtor, reported to Bridgeton police Monday that he saw a saucer-like flying object in the sky over Clark's Pond area of Fairton.

He told Desk Officer Russell Harris he was putting a sign in front of a property when the radio of his car suddenly cut out and he looked up and saw a dirty-gray object in the shape of two saucers—one atop the other—blending with the sky.

He heard a whine and the object went out of sight traveling at high speed and the radio came on again.
