Dear Sirs:

My name is [REDACTED]
I live in Panama City, Fla.
On the night of Nov 15, 1964 at 8:16 p.m.
I came out of church after
evening service. As I was
stepping from our church into
a school lunchroom which
is now our churches social hall.
As I came out of the door, I
looked up and saw something from
south to north a circular
object which seemed to be
passing. It traveled over
the school building and out of
sight. It made no noise
or left no trail whatever, and
the sky was clear (Send 164, Nov
1964) [REDACTED] Lyndale

Can't see back, so I am
used to seeing jets and
the lights on them. This
object seemed to be
travelling too fast to be a
jet. I have no idea
as to what the object might
have been. If you could, would
you please send me your
idea of what I saw and
if anything like it has been
seen.

Thank you.
