Dear Mr. [REDACTED],

Reference your recent unidentified observation. The information in your letter was not sufficient for evaluation. Request you complete the attached FTD Form 164 and return it in the envelope provided.

We wish to thank you for reporting your observation to the Air Force.

Sincerely,

A
HECTOR QUINTANILLA, Jr, Major, USAF
Chief, Project Blue Book

fire - 2-3 miles. Then
fire - 2-3 miles. Then

First sighting at 9:20 PM.

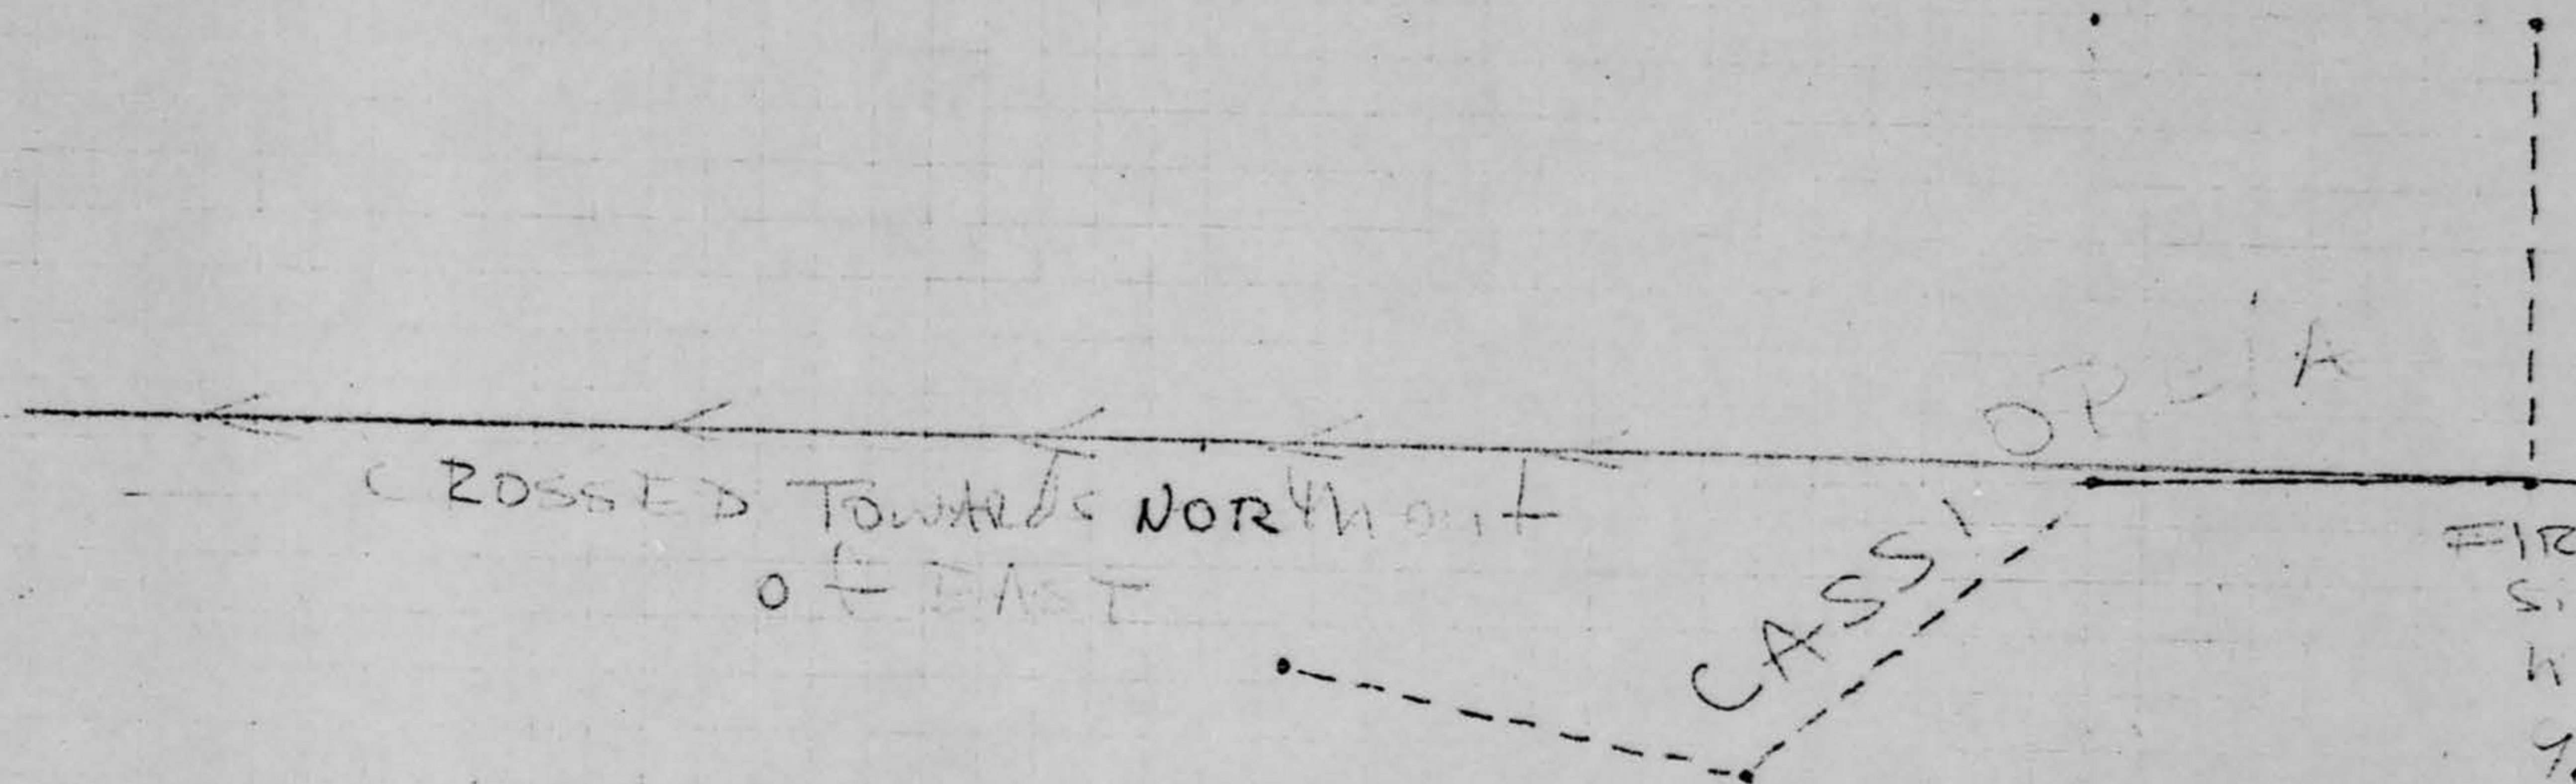

Reached tree tops 9:50

The object was very bright, as
bright as the stars of Cassiopeia.
It became dimmer as it went
towards northern horizon, but was
still visible when it went below
tree tops. There was no sound. It
was the size of the stars of Cassiopeia
when seen with the unaided eye.
