Continued on to see the shooting from around the corner which he was making the VCC. (Other) looked so quiet & it was a little bit.

The bottle which this creature seemed to hold in its mouth as if it was a bottle. I saw the bottle go to the rest of the bottle.

These questions were so easy to get hard because I had so much to write & I didn't know how to write it. I hope I did a little better than my first letter.

Thank you for believing me & writing back. I know I saw this thing. I am not a person that just says things.

I have written concerning both
 sightings 1- Jan 23, and 1 May
 long Creek saw - March 9th at Little Rock

many thanks again for
