k. Assistant Base Operations Officer, Mathew F. Lewonowski, GS-11, Little Rock AFB, Jacksonville, Arkansas, 501-985-3316, 501-982-3130. The preparing officer interviewed Miss [REDACTED] on 4 January 1967.

The observer was sincere in what she believed she saw and the interviewer had no reason to doubt her. Miss [REDACTED] appeared to be a normal and intelligent person for her age of 15. In view of the fact that there are so many witnesses to the incident indicates there was something unusual sighted. However only Miss [REDACTED] saw the object at close range. The possible cause of the sighting is undetermined at the present time and unless other facts are brought to light the causes most probably will never be ascertained.
