Dear Sir

On Jan 17, around 7:30 I Went out side. I seen this thing about 3/4 mi off from me. I got my field glasses & took a good look at it. It look like it was getting ready to land. It was Colback & I came back in to get a jacket & when I went out it was gone. I still think it landed over here in the hills about a mile from our house. In timber & hills. And I got a good Idea where it landed. over

P.S. I didn't know
who to send this to
But I know I should
be in good hands
to send it to you, I
am and you can turn
it over to the night party

I don't know anymore about
this thing. But I am going
to skip and see if I can
find out where it landed. I don't
be seen if I do find it. I can
get around in this timber without
being seen. If I find where it landed
all the way there, I live at
the place, Mo. It is in Texas County Mo.
I'll draw a map where I find
it where I am. I'm getting ready to land
