Dear Sirs:

We are writing this letter to inform you of our sighting of an UNIDENTIFIED FLYING OBJECT. This all started on the 18th day of January 1967, when a friend of mine and I were outside getting some paper and a pen out of his car, when all at once we heard a strange noise. We looked around and couldn't see anything so we didn't think anything about it. Later on in the same night another friend of mine ([REDACTED]) spotted several U.F.O.'s. We started talking and he said that at the same time that Dave Boyd and I heard the strange noise, that he sighted an U.F.O. flying over the spot where we had heard the strange noise. The sightings were confirmed by two other people. We ([REDACTED] [REDACTED] [REDACTED] and [REDACTED] [REDACTED] all of Columbus, Kansas) figured that it was our duty, as patriotic students of The United States of America, to report these sightings to the proper authorities. The size of this "object" was about 20' in diameter, the shape was the shape of a football, flying at approximately 1500ft. The characteristics of the football shaped object were red, white, and blue flashing lights.

We would like to hear from you on other sightings of U.F.O.'s around the world. We would appreciate any information that you could send us.

Thank you for your time and patience.
