35. Information which you feel pertinent and which is not adequately covered in the specific points of the questionnaire or a narrative explanation of your sighting.

I am a long distance truck driver by trade, while making this run I observed this V.F.O. and reported it 1 hr. later to Inuax Field, Madison, Wis. by phone.

This truck stop where I called from was a Pure oil Station, on Rt. 80 & I-94 NEAR LISBON WIS.

While there I remarked to one of the waitresses what had taken place. She told me that there had been other sightings in this area in past years. all about the same time of year and time of day. Something else she said all instances - it was very cold below zero. I hope this information is of use. I Remain Sincerely,
~~John [unclear]~~
