Dear Lisa,

On April 17, 1967 at 8:45 P.M.
My family and I saw a U.F.O. It
didn't look like an airplane
but was in a round shape and
gave out a strange white glow
from its sides. It was going at
approximately 85 miles and had
a strange roaring noise coming
from the craft itself.

Would you please look
in your files and see if there
was any airplanes or scientific
projects out at that date and
time. Shade is ten miles north
from Athens, Ohio and is in
Athens County.

Thank you very much. I'm
hoping to hear from you soon.

Yours truly,
