DEAR SIRs,

I saw them!

It was about 10 o'clock
when we came home from
being treated to a circus.

I got undressed with
my bunkmates and got into
our beds. about 35 to 45 minutes
later a boy in our bunk,

gazed out of
the window and saw little
blinking lights up in the
sky. I saw this and said
that it was just a

shooting stars. A few
minutes later we all
saw this. A couple of
them flying in order.
Like airplanes! That's what
we thought it was. But it
wasn't. We were watching this
for about 20 minutes.

Our Bruce aid, Wayne Spritzer,
came to the window and said
I don't

Believe it. There were
about five of them.
Would you please comment
on this. Sincerely,

164
