Dear Major Quintanilla:

In reply to your letter of Oct. 5, an examination of the fireball file shows nothing whatever for August 29 at any hour. However, reports often reach me very late and something may yet come. Incidentally, I regret that my Ohio observers were less active than usual in 1966 and 1967, so less reports have come in general. If any do turn up for about 10:00 EDT, Aug. 29, I will be glad to let you have copies.

Most sincerely,
