Dear Sirs;

I am very interested in flying saucers and do much research in this subject.

I have sighted a few flying saucers, here is my most exciting one.

My brother, cousin, and I was sleeping in my aunt's backyard and were watching for flying saucers. We sighted one on the ground about 120 feet away. It was about 12 feet long and had ^{one} ~~the~~ lights at each end. We were scared stiff, at least I was. My brother and my cousin finally got enough

10-ER

This is what the saucer looked
like → ~~it~~ -

courage to see what
it was. As soon as
they got about 25 feet
away from it, it disappeared.
This is no hoax or
~~joke~~ joke or anything
this is the truth!

Yours truly;

~~Robert J. R.~~

P. S. Could you please
send me some information
about flying saucers.
Thank you very
very much.
