Sierra Vista, Arizona 85635

Reference your recent unidentified flying object sighting which you reported to the Air Force. The information which we have received is not sufficient for a scientific investigation. Request you complete the attached AF Form 117 and return it in the self-addressed envelope. Thank you for reporting your observation to the Air Force.

HECTOR QUINTANILLA, Jr, Lt Colonel, USAF
Chief, Aerial Phenomena Office
Aerospace Technologies Division
Production Directorate

AF Form 117 w/envelope

Dear Sir,

July 29, 19

My name is [REDACTED]
I am 17 years old. I am a
Junior in high school and
a very smart student. I
have a friend named
[REDACTED] who
is also a Junior in High
school. I am writing to
you for special permission
to start a committee to
study U.F.O's as are my
friend and I call them
flying saucers. Both
my friend and I have
seen flying saucers
and believe they are
very real. We have told
other people but they
just laugh at us. Sir
we are trusting you to
believe us. Just this
very night at 9:30 p.m.
I saw a flying saucer
and I might note the
sky is very clear. This

flying saucer was glowing
white a bright white. And
as far as I could tell
there was to kind of
lights on the outside.
So believe me I am
telling the God's truth
and I do not lie about
a thing like this. I was
scared then and I am
still scared now. This
is the second time I
have seen a flying saucer.
The first time was when
I used to live out in
Long Beach California.
The time was 2:30 A.M.
and I was walking home
from a movie down town.
When I saw this bright
white light up overhead
and I just thought it
might be the moon. But
the moon was to my left
so I just stood there and
watched it for 15 minutes
then it just turned a E 90

degree and was out of sight
in less than a second.

I hope you believe me
because no one else does.

I thank you very much
for letting me write you
this letter.

Yours truly,

~~XXXXXXXXXXXXXXXXXXXX~~
