REPORT OF AN UNEXPLAINED AERIAL SIGHTING

1. Received a phonecall from a **Section 40**
At 1708 hrs on Mon 23 Oct, he was driving home with a friend from work when they saw a very fast pale green phosphorous light shoot across the sky, between West Horndon and Upminster in Essex. The sighting lasted for 2 seconds then burned out. **Section 40** estimated that the light was 1,000 ft in the air and a mile away from them.

2. I explained the MOD's role in this matter and said that if any explanation came to light that I would ring him.

3. No unusual circumstances around this sighting. It sounded like a fireball or meteor oxydising and burning out.

REPORT OF AN UNEXPLAINED AERIAL SIGHTING

1. Received a call from a Section 40 Northants. Yesterday evening at 2243 hrs she was driving down the Deanshanger Bypass and saw 2 Bright yellow lights above tree level. Underneath these two lights she saw several small lights which looked like the top deck of a double decker bus' lights. These were paler yellow. She lives on a boat and her husband was walking along the tow path to meet her from her car and he saw the same sight 15 minutes or so earlier than she did.

2. I explained our position, and took her phone number and said that if we were able to shed any light on the sighting we would contact her. Her No (a mobile) is Section 40

3. I do not know of any other reports yet in that tie in with this one.

DETAILS OF OCCURRENCE**TITLE UFO SIGHTING**

At approx 0300 hrs on 10 Sep 95, [Section 40] observed a what she believed to be a UFO from her home address. She sighted the object hovering over the Alveston Park area.

It appeared to be stationary and she described it to be Cylindrical in shape. There appeared to be lights around the middle and behind it, which appeared to be "Spinning" around it. The lights were red, blue and green in colour. The object disappeared behind building and looked as if it was landing in Alveston Park.

A number of her friends observed a similar object in the area. They stated that it was bronze in colour. The sky was clear at the time of the sighting.

[Section 40]

I am writing to thank you for your telephone call of 6 September 1995 when you provided details of an unidentified flying object to our Station Duty Officer.

On your behalf, I have sent the report to the Air Secretariat Ministry of Defence. MOD does not investigate UFO sightings except to establish whether there is any defence interest, and does not normally reply unless further details are sought.

Again, thank you for your time in making this UFO report.

Yours Sincerely,
