8. REMARKS Coord w/Capt Thompson. Talked to Bob Davis re: par 2 of his concurrence. Capt Thompson also advised he talked to Udo Schulz. It was agreed that atch recommended by OCV was not necessary since OCNE would be responsible for making boundary determination & their UFO project officer would have access to the map mentioned (part of Defense Plan). I felt par 5c of Sup was misleading & Capt Thompson & OCK suggested chg as shown, which is better I believe.
