

DRAFT

April 21, 1953

B-3

ITEM FOR DIRECTOR'S LOG

The Administrator of the Federal Civil Defense Administration has written the Secretary of the IAC, under date of 18 April, respecting the report of a panel of scientific consultants on the subject of unidentified flying objects. This report was furnished FCDA under letter of 13 March pursuant to IAC-D-67 (18 February). Administrator Peterson reports his interest in the subject and suggests that a conference be arranged for a full discussion on a mutually satisfactory date.

The correspondence has been referred to OSI, the Office initiating the original report. OSI will work out arrangements with FCDA. *Special unit*
FCDA will provide assistance might be provided by CIA.

[Richard D. Drain]
 Secretary
 Intelligence Advisory Committee
