Dear Doctor Page:

I have just received a copy of your letter of 13 March to Mr. Fred A. Kirsch and I appreciate very much your keeping me current on your correspondence concerning UFO's.

Your letter is a masterpiece and I wish that earlier in this latest go-round of flying saucers' correspondence we had taken the very same down-to-earth approach that you have done in this letter. We still are besieged, though on a diminishing scale, with people who write us on this matter and I am afraid that in the future I am going to plagiarize from you.

Kindest personal regards.

Sincerely,

Phillip G. Strong
