Memorandum For: Assistant Director, Office of Operations

Subject: 1. Identified Flying Objects

1. The attached copies of letters addressed to the Director of Central Intelligence have been passed to this Office for preparation of appropriate responses.

2. The statements and inquiries made in these letters involve a matter of rather critical nature. It is important that our responses be carefully prepared.

3. Accordingly, I would like to have your comments relative to the last two paragraphs on page three of Major Rayhoe's letter as soon as possible. Any other comments or information that you consider pertinent would, of course, be appreciated.

Harold S. Smith, Jr.

HAROLD SCOVILLE, JR.
Assistant Director
Scientific Intelligence

Attachments: 2/2

Buckslip to Chief, CD/CO

24 March 1958

Please prepare a reply for my signature to Dr. Scoville. I hope Major Rayhoe is not referring to any of our field personnel. We know Leon Davidson, do we not?

Enclosure 1: Assistant Director, Office of Operations

Subject: 1. Unidentified Flying Objects

1. The attached copies of letters addressed to the Director of Central Intelligence have been passed to this Office for preparation of appropriate responses.

2. The statements and inquiries made in these letters involve a matter of rather critical nature. It is important that our responses be carefully prepared.

3. Accordingly, I would like to have your comments relative to the last two paragraphs on page three of Major Hayhoe's letter as soon as possible. Any other comments or information that you consider pertinent would, of course, be appreciated.

Harold Smith, Jr.

HAROLD SCOVILLE, JR.
Assistant Director
Scientific Intelligence
