Dear Sir:

I have read your information
on UFO's in a True magazine.
It was very interesting too. I
gave a report on UFO's in school
and am very interested in them.
I'm hoping you will send me
some more information. I'm not
sure if this is the address to
send this to, but if it isn't
could you tell me where?

About two weeks ago thirty people
and four police saw a UFO
in the sky. They described it
as being like a football and bright
lights (round-like). This happened
about two miles from our town.

I could hardly believe
it! Also my friend and
I saw a white object in the
sky. Round - white, bright - light -
but small. It wasn't in
sight when we were here of that.
He was in the car, I told
my dad to look at it.

We just passed some trees
when we were in the car.
It had vanished!

Please send me some information
on UFO's if you can. Thank-you
for your time.

Sincerely,
