Housewife and mother at present. Formerly secretary at Brickley AFB, Mobile, Ala.; Hayes Aircraft, Inc., Birmingham, Ala.

This form was sent to me for a previous sightings however this sighting is more profound and important than previous sightings so I am reporting this sighting thru form letter. This is not, however, the first sighting I have reported. Apparently the Air Force has too much paper work to actually investigate sightings such as this. I don't have a title or big money, but I consider myself fairly intelligent and comparitively educated.
